## EXPERIENCE

---

### Full-stack Web Developer

June 2021 – Present

*Freelance*

*Mersin, Turkey*

- Designed, developed and deployed a number of projects; building a stronger portfolio and gaining experience using different tools and frameworks
- Built Web APIs for full-stack web applications, using .NET Core and PostgreSQL as the back-end infrastructure
- Implemented responsive user interfaces using Next.js, React.js, SASS and HTML
- Orchestrated the deployment of these projects onto Ubuntu server using Docker containers, configuring Nginx as the reverse proxy

### Web Developer

Jan. 2021 – June 2021

*Basaran Akademi*

*Antalya, Turkey*

- Revamped a static website by a total rebuild, integrating a customized CMS using ASP.NET; streamlined content management process, reducing publishing time by half
- Developed the foundational components for a Web app that functions as a comprehensive regional job listings database
- Collaborated with a compact team of experienced developers and designers

### .NET Developer

June 2020 – Jan. 2021

*KodEkibi*

*Antalya, Turkey*

- Developed a sophisticated ERP software with QR code integration, utilizing WinForms technology
- Scaled the desktop ERP software into a web application enabling cross-platform capabilities for the end-user
- Established and managed the administration of a database based on SQL Server

## PROJECTS

---

**DLog:** A public blogging app built to facilitate sharing of diverse content by users

**Issues:** An issue tracker designed to help manage projects by enabling teams to track, prioritize, and resolve issues

**Explore Spotify:** A web app that provides personalized recommendations based on users' favorite artists and tracks

**Trainer:** A web app designed to assist users in discovering exercises tailored to target specific muscle groups

**Cultured:** A web app serving as a condensed information hub for various cultural domains

**Tester:** A web app dedicated to challenging users with quizzes in language learning

## EDUCATION

---

### Anadolu University

Eskisehir, Turkey

*Management Information Systems*

*2020 – Present*
